I
had a
little
sister

I've
never
seen
her
face

And
she
never
had a
name

I've
never
held
her
hand

I
had
a
little
sister

If only you were born
in an ordinary family

We
would've
eaten our
meals
together

She
threw
you
away
like
garbage

Little
sister
of
mine

It
went
on
for
too
long

I've been fighting
by myself

Alone...
